

Comfort suspension.

With the automatic weight adjustment, the seat can be precisely adapted to the driver's body weight and type. The air-assisted suspension ensures ideal spring deflection for flexible adaptation to all driving conditions.

Your benefits:

- Comfortable, relaxed working environment
- Individual, air-assisted height adjustment (80 mm)
- Spring deflection of 100 mm for greater ease

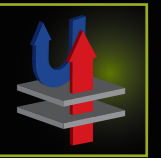

Seat cover quality.

CLAAS ORIGINAL seat covers are made of microvelour and are renowned for their robustness in particular. The surface is multifunctional, highly breathable and especially resistant to wear.

Your benefits:

- Reduced sweat accumulation
- Durable and robust

Air-conditioning comfort.

In low-temperature environments, seat heating provides much-needed warmth. On warmer days, active seat ventilation combined with air conditioning ensures a pleasant temperature, and optimal aeration and removal of perspiration without harmful draughts.

Your benefits:

- Safe working conditions, thanks to pleasant working temperature
- You stay alert for longer over extended, strenuous working days

Seat comfort.

ORIGINAL seats offer extensive and varied adjustment options – ergonomically shaped and with infinitely variable height adjustment and reclining options for the seat and armrests.

Your benefits:

- Effortless work over long days
- Gentle on the back
- Air spinal disc support (2 air chambers, 2 rocker switches)

Customized.

CLAAS ORIGINAL parts are precision-manufactured, high-quality series components for CLAAS machines.

Reliable.

CLAAS ORIGINAL parts have a longer life cycle and protect the machine from mechanical failure.

Efficient.

CLAAS ORIGINAL parts are renowned for their high cost-effectiveness, and quality that pays off.

Why CLAAS ORIGINAL seats?

CLAAS ORIGINAL seats impress with their modern design and fit perfectly into our CLAAS machine operation concept (MMI = Man Machine Interface). Of course, all of our ORIGINAL seats also comply with statutory specifications and offer a host of additional benefits:

- Seat comfort
- Air-conditioning comfort
- Comfort suspension

ORIGINAL parts offer you more than just the right dimensions. The materials and manufacturing methods we use are fundamental to the reliability and long service life of our machines.

Our ORIGINAL parts are manufactured from materials of an exceptionally high quality and to precise CLAAS specifications on the basis of proven CLAAS expert knowledge. Each and every part is tailored to the machine as a whole.
